This Pack was originally going to be an Anime Pack only. Which means I was only going to add Anime Renders. But I thought that, that may not appeal to some people on this forum. So Now it has a variety of renders. Just a few Category's:

Anime

Gaming

Miscellaneous

Amount of Renders: 510
Size of Folders: 531MB
Download Link: Part 1 - http://www.#/?d=PLBM89WZ
Part 2 - http://www.#/?d=1XR8OVTP

Time to make the render folders: 30 Mins
Time to RAR the 2 folders: 4 Mins
Time to Upload: 1 Hour 20Mins

Please Say Thanks!
