Thread: Making sigs, avatars, ect.

Izntme - *August 27, 2011, 1:02 pm*
I see people who make these badass 3d/2d sigs and avatars and I am wanting to know what program do you use?

_SLQ - *August 27, 2011, 1:04 pm*
Adobe Photoshop CS5 - period.

Just Photoshop extended nothing else

Sefirosu - *August 27, 2011, 3:22 pm*
Adobe Photoshop CS5 Extended. You gotta pay though unless you torrent it.
