Nope none at all, I will also do it over teamviewer for you :)

Mitch. - January 24, 2011, 4:30 pm

May I have a 'review copy' of this service? If you wish, that is.

Jayde87944 - January 24, 2011, 4:31 pm

ok thats fine.. Ill send you a pm right now add me on msn please

Mitch. - January 24, 2011, 4:45 pm

Huge vouch for this service! Crypted over TV asap, was completely FUD. Highly recommend this service to anyone who needs their server crypted!

Rainmaker - January 24, 2011, 4:52 pm

Could you explain your UAC bypass? Do you mean that the crypted output will be able to add itself in HKLM even if the user is on a limited account?

Jayde87944 - January 24, 2011, 4:55 pm

NO!

the crypted file will execute without prompting the user..

now accepting paypal, Come on guys get this!!

Jayde87944 - January 24, 2011, 6:28 pm

IF i get 3 more people im going to bring price to \$1 per crypt
