Thread: [Graphics Battle: Deluxe vs. Rhythm || Vote!](#)

-DeLuXe- - January 24, 2011, 6:03 pm

Well anyways i asked for a battle and Rhythm responded.

This is my first ever battle and i would like to thank Rhythm for stepping up to the plate :D

Good luck to you. ?

haha i agree with you guys, mine sucks i voted for Rhythms too lol.

Mine sucks i need to learn more :)

Well anyways i am going to ask if someone can close this thread because we all know that Rhythm won.

Congratulations Rhythm you are my idol lol. Maby we will battle int he future and i wil win. haha.

Voted for bottom, the c4d placement in the top looks bad, and the colors do too.

I agree. The bottom isn't much of a sig really, but the top isn't very good.

The top is only relatively better.
