Thread: Suggest me a good Keylogger or Stealer.

AFFkA - *April 23, 2011, 12:56 am*
I need free, stable, good Keylogger or Stealer. I have crypter, so I can make it FUD, just need to find good logger and stealer.

^ I lold... People need to stop being lazy and do things them self.
Decay logger is stable.. as well as many other loggers, why not read through threads and look for the answer you want, instead of being spoonfed.

iStealer is a stealer. ???
Not a keylogger.
