Thread: [Anime Screenshot / Picture Conversation.](#)

SewDough - January 26, 2011, 8:42 am

Well, I saw this on Animebyt.es, and I think it's a really good idea to do it, since it takes a bit of anime knowledge to participate (IE: Finding the right scenes for your conversation).
Basically, it goes like this:

*Read the persons subtitles on the image above you, then post one of your own that can be related to the previous post.

I'll start it off.

EDIT:

DO NOT use [censored].

They delete images within 24 hours.

3 is Toradora. 5 is a quoted post, but its Death Note. (If your talking about 3 and 5 out of the whole thread, which is in the 1st page.)

This thread is for Anime Subtitles, not random GIF's, or pictures.

So if you want to contribute, please do so by posting Anime Subtitles (Whether you find them on the internet, or screenshot them yourself).

Thank you.

Also, stick to original dialogue.
