Sadly i have to open my first scam report on HF.

Iv'e been dealing for a while on HF and until now fortunately all the deals weant well, until today.

All the money that i earn in my live comes from hard honnest work, so it pisses me off when some kid, that probably dont now what live is, just makes a deal deliberately to scam, in my land we call it stolen, and we treat those kind off people with sitck's in the head.

Iv'e open this thread to make some currency exchange:

The deal was simple, 30$ in LR for the best offer in PP.

Got the best offer from our friend:

Made the transfer as agreed:

After this sended one more PM saying that i was waiting. Later he got me on hes ignore list.

So, the thing is, just try to be honnest with each other, even in a site like HF we can have honour between us.
Dont do to others what you dont like others to do at you!!!

LOL 'Ron Jeremy' the proven scammer has revenged rep'd any one (including myself) that gives him bad rep for scamming.

I cancelled out the bad rep he gave the other members.?
