Thread: [TUT]Simple Indent Effect[TUT]

Boxie - *August 31, 2013, 4:00 pm*

So I decided to make some really simple tutorial it's will take you only 1 minute to make something like that. You can see the final result here ^^^^

- TUTORIAL HERE -
Spoiler (Click to View)

I know it's really simple tutorial I will really appreciate if you don't say anything bad. THANKS :D(SORRY IF MY ENGLISH IS BAD)

Sorry about the distortion but its the way I saved it, this is what I came out with 1st being your tut, 2nd being default font. It's alot better on lighter colors.
