Thread: |Try Hards| Free Netflix Accounts to All Members!

iwu - *November 12, 2013, 12:08 am*

Hey there guys, I haven't seen any more Try Hards activity, so I just wanted to start something I was in from the beginning. I'll be giving away Netflix accounts to all members that meet the requirements listed.

Ubers: No requirements, they've done their job already.

All you guys gotta do is click on the link below, and I'll send you a few Netflix accounts on your way! All I ask is that you post on the thread for the other members that did not get a chance to see this.

Click here for your Netflix!
