Thread: [Lifting your PayPal Sending Limit](#)

Emporer - January 27, 2011, 10:01 pm

If you are in a tight squeeze with PayPal I will be more than happy to three way you with them and hopefully resolve any situation you may be having with them..

I have gotten their sending limit lifted for they can continue sending money without adding a credit card or bank account.

Please send me a PM.. I will not do this method over Skype or any internet calling service it must be done via telephone. Your information is safe and secure and will not be shared with anyone.

You MUST Either have a positive balance in your account can be \$0.99 you just must have a balance.

USA accounts only
