I actually think i hate the OP. I actually, think i hate him - a guy i have never met in my entire life, a man whose face i do not know. I actually think i hate him.

Why have you made another thread about this? To get more people to click your stupid links?

password probably involves more surveys

Kom - February 23, 2011, 11:52 am

Thank you Kom. Someone with a bit of common sense.

Btw, how did you find out this was infected? I thought as much, tried telling some nitwit via PM's but he was being a fool - obviously wanted the OP's virus running in the background of his comp.
shrugs

Impurity - February 23, 2011, 2:25 pm

This kid has no idea what he's talking about. He realized advertising on someone else's thread was bad, so he made a new, even more low quality thread, to remove the hate comments.

Kid, I'm not removing the rep, stop asking. Give up, and go actually learn how to code.

Shadowglitcher - February 23, 2011, 3:07 pm
