That looks quite good,
It'd look better with a background.
9/10.

Spoiler (Click to View)So what would the content look like?
Perhaps adding a text layer in there would be nice.

It would give us more of an idea how easy it is to read.

I like the whole layout.
I love the fact it's all transparent.

Looks pretty cool buddy, Adding a text layer to it would be very nice, and I don't think that you should add a background making it transparent is a pretty nice idea keep it up! :P 9/10.

6/10, pretty nice but the use of gradients isn't that good.

It's Amazing, But I think you should Change the Skype Logo to Colorful and Make the Contact Logos Bit Small
