Theme looks like a rip of Yaldaram.com
Not much content too.

AKET - *April 11, 2014, 1:46 pm*
Theme is default XenForo style. The sites just started as I stated in the OP.

?Chief Keef. - *April 11, 2014, 1:47 pm*
hey! I would be interested in being a forum staff! :) I can contribute well to the forums. Thanks!

Vexane - *April 11, 2014, 1:47 pm*
Easily one of the ugliest looking forums out there.
Try making it complete before expecting people to join.
