Thread: 48 skins - John wick - fortnite account

Rezy - *April 25, 2020, 2:13 am*

This isn't a hacked or cracked account, this is a personal account therefor there is 0 risk.

Most things are from Season 3 to Season 6.

It has all the battlepass skins from season 3 to season 6 including John Wick.

The account has;48 skins
44 backpacks
32 axes
41 Gilders
44 Dances
8 Music tapes
86 Loading screens

account level: 523

It also has Save The World - Level 213, power level 72

However it is a REALLY high level, i am in the last city or whatever it is called, the final place, haven't played in 2 years so have forgot names lol.

I don't see it either which is weird, will edit Original post, however is John wick not from Season 2 level 100? I googled Black Knight it said level 70 on season 2, So how does that work?

Season 2 max was level 70 where you got the Black Knight.
Season 3 > current - max is level 100

Also John Wick was season 3 level 100

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
