Tokyo ? - *September 21, 2014, 2:30 pm*
This name is quite decieving.. when I saw this name I assumed it was about video editing.. yet you are only focusing on GFX other than VFX.
Good luck with this.
Regards.

Cyber Saint - *September 21, 2014, 2:35 pm*
You spelled the logo/userbar differently than you spelled the thread title, lel...

I think you need an "editer" for the title of this thread.

Narcissistic Behaviors - *September 21, 2014, 5:13 pm*
Wat a joke. I swear this group of kids.. First it was unlisted now this... Sigh.

Just let him have fun, why are you storming in his parade?

Grin - *September 21, 2014, 8:31 pm*
Hi,

How do you spell editor? Editer, ok.
