Sorry but I'll have to give it a 2. Reminds me a lot of the wannabe VB.Net applications. Try making seem professional instead of casino-y.

I don't like the red in the middle.

I'd give it a 6/10.

masoom55 - January 30, 2011, 4:45 pm

red in the middle is too glowy I give it 8/10 else is perfect

Id Probly give it a 5/10

Sigs are better transparent and the red in the middle = no good
and 1 border is enough
