Thread: Planetminecraft.com votes

LMKY - *March 11, 2015, 1:05 pm*

Hey guys!
I am selling planetminecraft votes.
Deals will be done via PM or skype: L.M.K.Y

These are the prices of the votes:

50 votes = $2
100 votes = $4
300 votes = $10
500 votes = $15
1000 votes = $25
5000 votes = $100

PayPal accepted only if you are trusted and have no scam reports open!
Bitcoin accepted!

Rick Sanchez. - *March 11, 2015, 1:05 pm*

Interesting service.
Posting to comeback when I launch my server.
GLWS OP ?

GLWS OP ?
Thank you :)

Good luck with your server!

Still selling this service. Prices are the besteht on the market.

LMKY - *March 15, 2015, 7:44 am*

Still offering this server. Cheapest prices ever!

Don't miss out on this

Still offering this server. Cheapest prices ever!

Safe & legit

Trenchguns - *April 29, 2015, 11:47 am*

Have any sales yet? Don't see anyone posting here, but sometimes people like to do business via pm.

Also I'd think you should put this in service offerings.
And any chance you'll be offering rust server website votes in the future?

I have made only 1 sale on HF but some off site,

PM me the link to the rust server website voting page and I'll take a look.

I assume you're not looking for vouches?

GLWS! I remember uVote, was a good service (I think its down now, gonna check)
Happy somebody else is doing this :)

Thanks, I can give you 100 vouch votes I guess :)

theoldbrit - *May 1, 2015, 12:38 pm*

When am I getting my cheap votes like you said you would get me?

When are you removing your -3 rep as you said?

Fuck off

Server97 - *May 3, 2015, 3:14 pm*

woh woh calm down qq

any vouch copies or not?

glws :)
