I've received a vouch copy of this product, these are my thoughts on it:
Grammar: 10/10
I did not see a single grammatical error within this eBook.

Content: 9/10
The method inside the e-book is very good. There is no way you can't make money with it. The only downside is that you need 20$ minimum to cash out and you can only ask for your money every 15th of the month!

Layout: 10/10
The layout is perfect, nothing more to say.

Overall: 9.5/10
You will definitely make money with this method. Don't hesitate to buy

I have bought this E-Book and this is my honest thoughts on it.

Pros & Cons
Pros:
1. I thought the E-Book way laid out very well and was generally a good E-Book.
2. The E-Book is short and to the point.
3. You can potentially make allot of money.

Cons:
1. It can potentially take allot of time to get up to the $20. (to cash out)
2. Some people already know this method, Like myself.

In Conclusion
