Thread: Text on Body.

Lil Durk - *April 7, 2015, 7:24 pm*
If anyone needs help with some text on body let me know I can do it for you, or give you some tips.

Pro-tip: opacity, and puppet warp is your friend.

HobsonsChoice - *April 7, 2015, 7:26 pm*
please can you give a quick break down of tools to use and the order, i can figure out the rest from there.

Thank you kind sir

I wouldn't say that, opacity works very well; plus it's quick.
I've never been called out for it.

Or Use a Surface Pro 3 and just write the text on her. Profit? !?!??!

Lil Durk - *April 7, 2015, 8:57 pm*
don't have a surface pro though ;c would be neat though.

Redman1111x - *April 7, 2015, 9:30 pm*
Or have a girl friend to write it on her boob up close <3 Works every time!

Not if your girlfriend is saturated.

Got eem

????ll?? - *April 7, 2015, 11:28 pm*
nice bro,

i am gonna start ewhoring soon and maybe need your help :P
could you add me on skype?
xxgritzxx1

Lil Durk - *April 8, 2015, 12:05 am*
Any one else need any thing done for them let me know!

Gary - *April 12, 2015, 3:16 am*
I'll hit you up on Skype. I need a fansign made soon :x
