Thread: AA Weekly (sorta) Poll #19:Lucky ? Star vs K-On!

Black Hole - *November 13, 2012, 12:04 pm*

Sooo, hey. It's been a while. I missed you.

Last week's poll results:Spoiler (Click to View)

Seems AA enjoys only a select few of their OP/EDs, I know I got a few favorites.

This week's poll topic is between two of the more popular SOL animes: Lucky ? Star! and K-On!

The question: Which is your favorite? Your choices:OMG Lucky ? Star!!
OMG K-On!!
Pff, I hate them both ?

The rivals!:

Lucky ? star: (Click to View)

Plot Summary: Portrays the lives of several school girls attending a Japanese high school with a very loose humor tone. The main heroine is Konata Izumi, an athletic and intelligent girl who, despite these attributes, is not in a sports club, and her grades remain low. Her laziness at school is due to her love for anime and video games, and she is not interested in much else. (copied from ann)

A very laid back, very lazy comedy about some cute girls doing...boring things...cutely?

K-On! (Click to View)
[img]http://www.watchcartoononline.com/thumbs/K-ON-Season-2-Episode-19-English-Dubbed.jpg[/img]

Plot Summary: It's Yui Hirasawa's first year in high school, and she's eagerly searching for a club to join. At the same time, Ritsu Tainaka, a drummer, and her friend Mio Akiyama, a bassist, are desperately
trying to save the school's light music club, which is about to be disbanded due to lack of members. They manage to recruit Tsumugi Kotobuki to play the keyboard, meaning they only need one more member to get the club running again.
Yui joins, thinking it will be an easy experience for her to play the castanets, the only instrument she knows. However, the other members think their new addition is actually a guitar prodigy... (copied from ann)

A more dramatic, straight foward SOL about some high school girls making a band...cutely?

There you have it guys, your 19th AA weekly poll! May your favorite win! (god I hope this isn't a landslide >.>)

Poll specs: Feel free to leave a comment saying why you picked the series you did. Feel free to

debate/flame/rate and hate. Poll is public and single choice only. Poll will close in 5 days.

Personal shit you probably don't care about (Click to View)As some of the old fags may have noticed, I have been gone for about...oh 6 months. For those of you who didn't know, I had joined the US Navy
and served for about 6 months before being medically discharged (Honorably) for a leg injury suffered while on duty.

In my absence, two outstanding members: La Fama and sp3ctr3 had taken charge of making your weekly polls and I would like to thank them from
the bottom of my heart for keeping it as active as they did, thank you!

I am back now and will resume my duties as operator of your weekly polls! Thanks in advance for participating in these threads! ?

Got an idea for our next poll topic? Suggestions or comments? PM ME!

K-On! all the way, Lucky Star is alright but doesn't even compare with the massive moe that is K-On.

Rakshasa - *November 13, 2012, 12:17 pm*
Fucking balls I missed the nudes :| Who got 'em?

Anyway voted K-On, for nostalgia and good music.

I dropped Lucky star and k-on, but I ended up finishing lucky star and enjoying it. It seems alot of people enjoy K-on and I have been watching alot of SoL anime recently so I might pick it up again.

TheElo124 - *November 13, 2012, 12:27 pm*
i picked K-on because i haven't seen lucky star

Marluxia - *November 13, 2012, 12:41 pm*
Lucky Star is complete trash imo, I dropped it after the 6th episode, just a bunch of moeblobs lel.

Dyme - *November 13, 2012, 1:01 pm*
OHA LUCKYY!!! No one compares to konata <3

Sejskaler - *November 13, 2012, 1:16 pm*
I'd actually say Lucky star, It's cute, and random, but really, I am not into any of them, but I do not like to say I hate them :c
So Lucky star from here ^^

SniperBMW - *November 13, 2012, 4:45 pm*
I love Lucky Star; it's a mellow comedy that I wish could've lasted longer. It's a great break from watching those thinkers and heavy drama animes.
I'm savoring the OAV for later on even though I finished a while back.
Konata is adorable and the slice of life genre that the show applies is a good chuckle.

You're very welcome. Was fun doing them. Sorry we kinda slacked off after a while though and just stopped. DX

Black Hole - *November 13, 2012, 5:38 pm*

No problem at all, I am just glad the polls didn't completely die out ^^

Thank you all for voting!

I thought both were great shows. But, I have to go with K-On being a huge music lover, it connected more.

Arruke - *November 13, 2012, 6:48 pm*
Probably 2 of my most disliked anime I've ever had the misfortune to watch. Those genres just don't click with me.

KernelMode - *November 13, 2012, 7:25 pm*
I'm gonna go with Lucky Star... ?

Now that I think about it, I should have added an "I haven't seen either..." option.

I am still kinda rusty...

I have seen K-On and I thought it was pretty cute, I never got around to Lucky star though, I heard it wasn't all that great.

BaussHacker - *November 13, 2012, 10:01 pm*

Gotta be K-On, though I find Lucky Star to be good as well... But well it gotta lose this time ^_^

Eclipse - *November 13, 2012, 10:17 pm*

Who the hell do you think I'd vote for.

That K-ON! picture in the OP is on my mouse pad also.

Spoiler (Click to View) I've seen both.

Wojak - *November 14, 2012, 6:30 pm*
I voted for K-ON only because I never watched Lucky star yet :P

Angel Beats! - *November 14, 2012, 8:17 pm*
Annnnd landslide. You should of added Azumanga Daioh and/or YuruYuri though.

Hopefully you can come up with more ideas than me and sp3c could, we just kinda gave up at the end. Are you back for good now? <3

There's a lot of things I could of done now that I think about it. Oh will her better with time.

I will be active for AT LEAST the next six months, so...I guess that classifies as "for good." ^^
