Perhaps you could show verified stats such as yield, ROI or betting units won to proof the quality of the content.

**Elitas** - *January 28, 2017, 5:58 am*

Usually those type of stats are claimed to be inspect element'd so I just feel like it'd be a waste of time and wouldn't prove anything. I can show my stats if you'd like, I'll log in to a few accounts.

I can show my stats if you'd like, I'll log in to a few accounts.There are free public services that track stats so that you can provide as proof for potential customers and no inspect element or tricks can be used, as stats are saved and cannot be edited (a lot of people with google doc sheets could easily make these sort of stats up). It's usually the most common way (within the professional betting industry) to proof you are a long-term winning bettor.

Thanks for reminding me. I have just sent out a free vouch copy to a few members ; waiting for them to come back with profit results. I can't find the overall profit from a betting account (at least on the ones I use), Lmk if there is a website that can do this for me, thanks!

Sorry, gave them out to some well known members, waiting for them to post their results. Vyrez can vouch for the method as he has been using it.

Sports betting is one of the best ways to make money, and this method is no different - Vouch for Elitas, he is very HQ!

**Varane** - *February 7, 2017, 1:14 pm*
Sending you a PM with a set of questions.

**Elitas** - *February 13, 2017, 10:59 pm*
Online now, taking orders!

**Elitas** - *February 27, 2017, 3:14 pm*
This method is now being sold again, small updates on original method to make sure this works!

**Cz2103** - *February 27, 2017, 9:43 pm*
Does this have to do with arbitrage betting?

**Elitas** - *February 28, 2017, 12:07 am*
(Feb 27, 2017 10:43 PM)Cz2103 Wrote: [CITE] Does this have to do with arbitrage betting?
Arbitrage betting would be the main idea, yes. The book contains tools which will stop most people making the common mistakes which are made when first starting with arbitrage betting. It also contains some other tools which can be used for other things as well.

Already have a few vouches, gave this method to a few people.

The method itself takes a little bit to set up, not much though. No investment is actually needed but is probably recommended. Money is guaranteed when the method is followed correctly, PM me for more info!

**Elitas** - *March 15, 2017, 8:12 am*
50% coupon to the first person who PMs me!

Hello readers,

I've been able to get my hands on this e-book, by Elitas. I felt like giving my honest review for potential buyers.

The first thing that stands out is the formality of this ebook. The layout is very clean, there are no vocab or grammar errors.
Everything is neatly divided in chapters and paragraph which can all be found in the table of contents, for the reader's convenience.

The theory behind the method, the pros and cons are all carefully shown in this ebook. The big advantage of this (in my opinion) is so that you really get to know what you are doing.

Overall I really like the e-book. It has everything you need to know to get started and make money. 8/10

**Elitas** - *April 20, 2017, 4:52 am*
Updated the ToS and the method itself.

If you want to purchase it you can use the autobuy link or PM me for manual checkout.

**Elitas** - *July 9, 2017, 11:24 am*
Arbitrage method updated, still working!

**EliteVyper** - *July 9, 2017, 11:29 am*
how much can i earn per day, and what site is that?

**Elitas** - *July 9, 2017, 11:36 am*
(Jul 9, 2017 11:29 AM)Elad Wrote: [CITE] how much can i earn per day, and what site is that?
This works on any betting website!

Currently autobuy is causing some issues, so if you are interested, you can PM me and then we can complete the payment manually!

**Elitas** - *July 14, 2017, 10:37 am*
Payment for this eBook is now completed manually. Please PM me for further information. I have now set up payment to be accepted in all major cryptocurrencies as well as paypal.

**gloriarosarive** - *July 28, 2017, 1:39 pm*
Hello! I am new here guys! Please let me know if this method it is still available and still working.. How much must be invested?

Thanks
