thank you mate and welcome back.....

kingofjail - July 15, 2009, 12:59 am

thx dude..long time no see u all in HF..

sentinel.rx - July 15, 2009, 11:24 am

Nice list man. These are always useful for school and work.

sandman - July 15, 2009, 11:33 am

thanks dude, nice share....

Jupiter99 - July 15, 2009, 11:34 am

thanx , once school starts up they'll be very useful

5ubt1eR34li7ieS - July 15, 2009, 11:37 am

Aye, thank you much. The firewall my school uses is so.. fucking, ANAL, that it's even managed to block educational websites.

So this list will come in handy VERY much.

Cheers.

Snupo - July 15, 2009, 11:44 am

Do you know by any chance in which country they have their servers or does a webproxy have ips all over the world? I need an australian and canadian webproxy, that's why..

Sud0x3 - July 15, 2009, 11:49 am

Nice list, Add my proxy <http://www.blackarts.ws/proxy.php> - great features and we dont keep logs.

SØMNIUM.EXE - July 15, 2009, 12:03 pm

Good list, still I would use some programs...

kingofjail - July 15, 2009, 12:21 pm

thx for all comment dude..i want to try to find any other hacking proxy for u all..
