Somehow this kid scored a feature with Gucci Mane, Thoughts on the remix vs the Original?
I still think it is complete trash but slightly better.

Right you are -
I also think he got a bit lucky.

he paid 250K for the feature so it wasnt really worth it. i lost respect for gucci mane cuz he would take money to be part of a shit song

This is slightly better, but it's still really terrible. I can't wait for this kid to be broke and irrelevant in 10 years ?
