Hi this works worldwide except for Australia and a few asian countries. However, the referral amount change from$5 to $10 is possible only in US.
Other countries get what uber app shows in free rides section.

I face the same issue with my prepaid cards, uber has a strict policy on payment methods to avoid scamming.
You need to add a physical debit or credit card, only then it would work, alternatively, use apple pay/ google pay or paypal kind of methods.

Interested in buying rides, are rides same thing as Uber credit?

botmun - *August 31, 2020, 8:09 am*
This service is indefinitely paused as Uber has paused Ride Referrals. You can review my eats $20 off codes here: https://hackforums.net/showthread.php?tid=6087751&pid=59946517#pid59946517
