For any of those who like Coffee, there's a pretty good offer over at
https://www.dolce-gusto.co.uk/student

You get 6 * boxes of pods and one coffee machine for £39.99 instead of over £130 using the code "STUDENTS2019" or "STUDENT 2019" at the checkouts.

That is heart breaking. I actually done some maths on this....

If you pick the starbucks pods you get 12 in a box, the Dolce Gusto you get 16 pods. We'll assume that you're wanting to save as much money as possible so you get the 16 pod boxes. 16 pods * 6 boxes = 96 cups of coffee.

£39.99 / 96 = 41p each cup of coffee. And you still have a really nice coffee-maker for free. Absolute bargain.

Drinking starbucks coffee right now, made it in the normal drip coffee maker. No pods, just coffee beans ground up ;)
