Leveling up a new character, do m+, raids

etc

Horde only pls, unless u want me to play my 100 mage ally

I like the game but always getting so addicted to it and grind too much. Also hard to find people to play with considering you need 5man for m+ and more for a raid.
was few raids away from Cutting edge Jaina b4 I quit last time.

Little sad I don't play but also feel I lose out on so many other games when playing wow.
