Thread: osrs fire cape needed

Hi. Not sure if this is the right section but I'm stuck on the Jad fight on osrs.

Would someone be willing to do the final Jad battle for me for RSGP? Or the entire fight caves if you want something to do.

I don't have PayPal and recently used my BTC for RSGP.

I'll have the account set up and ready to go.

Willing to pay RSGP, let me know the price.
