use search fuction, u can have many options for you like, using keylogger, RAT or phisher

Ninja-H4x0r - July 17, 2009, 10:53 am

Read a damn tutorial.

XCON - July 17, 2009, 10:54 am

Phish,Revert,Bruteforce. those 3 best bets but bruteforce barely orks and takes for ever and reverttakes also a long time best way is to phish it...

or 4 idk.

Well yeah use the search on the forums of google if you don't know how to use google don't worry we have a tutorial on that.

Look it up

?

Well yeah bruteforce
