Thread: [workstation Scammed me!! 20\\$](#)

Perv - February 6, 2011, 5:53 am

I posted a msg on the exchange forum paypal to moneybookers then i recieved a msg from workstation

<https://hackforums.net/member.php?action=profile&uid=620190>

sayin hel exchange it

[img]http://img148.imageshack.us/img148/3774/30469280.jpg[/img]

Im new to forums so had to go first as he had 10 reputation pointsbut he scammed me. No reply from him . Hes online browsin the same exchange forums tryin to scam someone else. Staff pls help

Sweet Little Devil - February 6, 2011, 5:55 am

how much money he scammed you bro?

Perv - February 6, 2011, 6:02 am

20\$ sent to his paypal no reply at all!!

Somebody please guide me the future course of action

Open a scam report here:

[Deal Disputes](#)

This link contains everything you need to do a good scam report :

<https://hackforums.net/showthread.php?tid=278156>

You can chargeback by opening a dispute : say that he didn't send what you wanted.

Good luck

Perv - February 6, 2011, 6:43 am

Thanx for the help will do that

hackersblog - February 6, 2011, 11:15 pm

yes, workstation is scammer, he scammed me with 20 usd too

where is your scam report??

AAAA - February 7, 2011, 5:18 am

This are not proofs that i have scammed you you send me a PM wtiting that: OK mate il take an hour or so... you can send the money to@gmail.com when you recieved it i havent recieved it

yet... :((((
