IMO, it's probably the greatest EDM track/remix ever, or at least that I've ever heard. What's your favorite EDM banger?

I'm not into EDM, but I'll go with SKRILLEX - Bangarang feat. Sirah

I recommend you to watch the Tomorrowland clips, there are great EDM there.

I'd have to go with one of the OG's here. There is nothing quite like classic trance hits from the late 90's and early 00's in my opinion.

My wife and I are EDM fanatics and that with our combined age of 119. We started 4 years ago and since then have gone to 40+ shows, first and not time EDC in 2015.
