Purple BMX - February 6, 2011, 6:22 pm

Sorry bro, i only work one way. Im lookin to buy atleast 50-100m tho.

Kyuubi - February 6, 2011, 6:25 pm

I can pay you 16m first and 17m after. It took my a lot of wcing to get this.

EricR - February 6, 2011, 6:27 pm

Well, I have 168M. Don't you think it is a little obvious if I stake 168M and you stake little to none though? That's more obvious than me just giving you 168M in trade.
