Looking for Experienced Media Buyers for the Traffic Father Team | FB / Google Ads / TikTok

Hello everyone! ?

We are a traffic acquisition team working across multiple niches, including grey and black verticals. As we are expanding, we’re looking for experienced media buyers for long-term collaboration.

Traffic Sources:
• Facebook
• Google Ads
• TikTok
• UBT schemes

Verticals:
• Gambling / Betting (including schemes)
• Dating
• Crypto
• Resell (clothing, jewelry, perfumes, etc.)
• Other grey niches

Who we’re looking for:
• Not beginners — people who actually have experience running traffic
• You understand bans, farming, warming up, bypass methods, and scaling
• Able to test funnels and work toward results
• Responsible and easy to work with

What we offer:
• Projects and budgets
• Revenue share / fixed payments — negotiable
• Long-term cooperation, not one-time campaigns
• Team support and knowledge sharing
