Thread: Check Out My Sig! [FREE Counseling <3][DO NOT MOVE TO GFX!]

Grand Pootis - *October 21, 2010, 4:44 pm*
Hello! I would like to show you the services I would like to offer.

You can see my sig below :)

Please do not flame. If you would like, I can get a testimony from some members I have helped.

I only do this over MSN, no exceptions :)

Please post to keep this thread alive!

Uh, no. I am awful at GFX, and am having someone redo it for me.

I would have put this in GFX section if I wanted my horrid sig rated XD

Problem is, i'm not trolling. I really did spend 2 weeks coding the bot in my sig, and not a single sale.

I really am Q_Qing

I looked at your bot, and it looks good. You may want to consider lowering the price a bit.
