Lol. I'm getting the hang of making them now. I have another one coming, I'll probably finis up tommorow. I just need to choose the good tags from the bad tags for the tuts.
thanks lol

I do not understand that wind thingy to get it down...
Could you explain me???
You say: rotate your canvas, but then you're whole picture changes :O
Tell me :)

Ooooh haha, ic :P
I thought wind -> flip = very strange effect :P

Thanks :)
This made everything clear :P

This made everything clear :PThe tut might not be noob friendly to the max, but it wan't that hard. I need to remember that... filter > stylize > wind. GREAT effect.

Thanks.
