So, I'm here to help you guys with some services I can do for free for the members of HF.

Doable:

- YouTube [300 views+comment+like+subscribe]
- Forum register and 10 HQ posts
- click links for adf.ly
- refferal to anything that doesn't need money for deposit
- anything you can imagine and isn't in the -Not doable- stuff below

Not:

- paypal shit.
- porn shit.
- any other kind of bull/horse/human shits.

Remember I'm doing this for free in my own personal time so don't bother me with lots of PMs.

Thanks =]

iWatch - February 9, 2011, 7:34 am

Can you download a ShareCash file for me? Also the content is great and you will not regret it ;) <http://bit.ly> [WARNING: potentially infected]/dULJjT

-Nar - February 9, 2011, 8:28 am

Sorry, can't do ShareCash surveys, I have to pay for them.

Also I have no idea how to spread a file, I've seen some very good spreaders on this forum, you might want to check that first (USB, MSN, Yahoo, all the kind...)

- @TT3 done.1. Download HotSpot Shield
2. Install it
3. Connect to VPN
4. Go to ShareCash Survey
5. Choose one of these surveys: "How will you die?" or "When will you die?"
6. Finish the surveys(they are free. Just fill some datas at the end[can be fake though])
7. The survey is unlocked and the person received 0.40\$
