Nope. This isn't possible.

If you're Ub3r you can junk and delete all your posts/threads if they aren't locked, I suppose. Lol but seeing as you're not, then no.

You would have to be Ub3r of course. So no, you can't.

Thank you for your answers. Just I got so much shit, which I don't want.

The very least you can do, is delete your posts in other threads, if they are open, you just can't junk your own threads. I wouldn't worry about it too much, as you go on, those posts will basically seem deleted.

Mass junking isn't allowed, I recall a staff member stating it.
