Thread: [Im done writing HF news.](#)

Pinterest - February 9, 2011, 2:54 pm

I wont be writing HF news, as I feel like I dont need to contribue anything no more, Im not mad or anything but just dont feel like I have the motivation to contribute to HF by doing anything. I will in the mean time just be browsing and working with people. Till then PM someone else or make it on your own. Im done.

You did a good job, hope your back soon.

Punisher - February 9, 2011, 2:55 pm

Well thanks for doing it before.

Good luck with whatever you are doing next.

Nightmar? - February 9, 2011, 2:55 pm

Ight... I'll do this weeks...

To be honest, it's not like you stuck up to the title anyway. I was awaiting a PM from you for the first edition you were supposed to send around - never got it. Thanks for the notice at least. ?

So this was the reason the news hasn't been wrote yet?

Anyways, thanks for when you did it. :)

I don't think that should give you a reason to give up. I'm pretty sure there are various members out there that are still willing to help. I didn't say I was out, but then again, who am I.
