Thread: some android pro ver apps root+non root

himanshu raj - *January 17, 2015, 10:56 am*

I have the collection of android apks pro tools with unlocker.Some require root and some not.
1.Super SU root permission granterr full version with unlocker.
supersU.apk+unlocker
2.Facessniff to hijack fb sessions on same lan network guide to unlock

1. install FaceNiff.apk
@. run for first time click start wait 10 sec then stop it then close
@run the facesniff unlocker click unlock and note the serial key.
@open facesniff open menu then click unlock app and enter the key.
??
facesniif+unlocker

3.Superbeam full version
superbeam
4.google camera patched for jellybean
download it here
5.bsybox pro
download it here
