Negative (-3): Scams and changes name to avoid detection. Tried scamming me. Was offering to "sell my account" and he tried buying and wanted to logon it before I let him "buy" it. I was testing his dodgniess. He defaintly is a scammer.

I think he's also Beano!

DontFuck logged off when Baino! logged in, and when Baino! sent the pm, he logged off and DontFuck logged in.
