Thread: Option to be able to buy banned usernames.

There are many members of HF with OG names, usually banned.
I think it would be cool if users can buy the names of people that have been banned for a long period of time.

Can you delete an account so I can get the username?
Hell no. Don't even ask. If it's a zero post member you can wait till the account is pruned but don't ask us to delete an individual account for you. Even if it has one post from 2 years ago and they've never returned we will not delete the account just so you can have a username.

$5 in OMC and you will be able to alter a closed account name. One day at least that's possible.
