Thread: [\[Free\] \[Contest\] Free NETFLIX Accounts! \[/Contest\] \[/Free\]](#)

Cyberion - February 11, 2011, 12:12 pm

Alright, well I've got some netflix accounts.

They're 100% active and you may do what you wish.

To enter, design a new header banner for <http://rapidimg.com/> that has a "troll" feel and design type, if you know what I mean. You may also create your own slogan for it as well. Anything you'd like that suits the website. The funnier/better the logo banner, the higher chance you've got of winning.

IT MUST NOT HAVE A BACKGROUND THOUGH! TRANSPARENT BACKGROUNDS ONLY!

You may get an idea of how it should look, and the size, on the website.

3 Winners will be picked, and each banner will be on a rotation on the website, and you'll get a free netflix account.
