Thread: [Save tons of money on computer supplies](#)

Fallen - July 20, 2009, 9:06 pm

If you don't already know about the site, <http://www.newegg.com/>, im shocked but none the less, there is a great way to save a lot of money using the site. Not only is it one of the cheapest places around to buy anything electronics, there Shell Shocker and daily deals, are amazing. With a little patience you can get what you need for 30% less :D

Each Day, there are 36 deals:

<http://www.newegg.com/DailyDeal.aspx?page=1>

And one Shell Shocker, were the real savings are at:

<http://www.newegg.com/Special/ShellShocker.aspx>

Doofy - July 20, 2009, 9:24 pm

their shipping time is EXCELLENT! also, most products i need have free shipping at that time and a discount :3 just bought my Carchiaras 10 bucks off and free shipping

Boris - July 20, 2009, 9:26 pm

Yeah, I've heard of them before. Didn't know if it was true. Thanks

Omniscient - July 20, 2009, 11:26 pm

Oh I didn't know about the Shell Shocker! Cool.

Fallen - July 22, 2009, 6:54 pm

Today's Shell Shocker,

\$89 for a 1tb external drive

<http://www.newegg.com/Product/Product.aspx?Item=N82E16822186186>

Omniscient - July 22, 2009, 7:59 pm

That's not a bad deal. I am still kicking myself because a few weeks ago Dell had a great deal on a system with a monitor (19" flat) and the 1TB external all for about \$460. I was iffy and waited then I haven't seen the deal since.

els1 - July 23, 2009, 5:46 am

great deals on this site thanks :)
