Thread: Standup/Comedy section

Oliver Sykes - *May 29, 2015, 11:11 pm*
I really don't see this section lasting very long. Seven pages of mostly racist jokes the second day? I just don't see it happening unless it's purged, and an anti-racism rule is enforced.

EDIT:

This is really not a bad idea man I think it'sadecent suggestion.

Oliver Sykes - *May 29, 2015, 11:14 pm*

It's bad.

Roger Waters - *May 29, 2015, 11:15 pm*
Yup. Most of the so-called jokes are things stolen off of Google or something that everyone and their mother has heard already. It's the same 3 or 4 people posting these threads also.

Most comedy is touchy and controversial

I've noticed. Guess it's a good section to increase your post count.

Unless there are approved comedians that can post in it, i don't care for it's existence. It's just a human centipede of recycled jokes.

Lmao @ Ryan throwing out like 10 of them.

I agree

Let's create a form and Omniscient has to individually decide who can be a comedian
