Thread: Paper Proof Ewhore Template [FREE]

Credit. - *August 18, 2015, 6:34 am*

So i came across this picture https://i.imgur.com/33oHB1K.jpg
the picture is without face so i tought it would be good for ewhores that want to fake proof pictures fast and easy..

so i deleted the text and made a template out of it.

You can download it here : Download Template

if you would like the font i added for even easier use, you can download it here : Download Font

its not the best insane proof Picture but it works fine for the most buyers..
Hope it works for you :)

Some appreciation would be nice.

EDIT : Without the tattoo Download Template V2

I see a slight problem with this though. Her body frame wouldn't match some of these girls, she seems like a thick girl.
