Thread: [\[List\] Cracked Apps, sites \[List\]](#)

lolzor60 - February 14, 2011, 2:57 pm

Just thought I'd drop you a list, of my personal favorites.

Many of you might just use Install0us directly from your iDevice, but these are good alternatives, if you're downloading large apps.

Yeah, thanks, needed this.

Love you!

poppa_smurf - February 14, 2011, 3:19 pm

great list thanks alot ill use some of thise

lolzor60 - February 14, 2011, 3:32 pm

Cheers for your comments guys.
Appreciated.

drummerguy95 - April 10, 2011, 12:04 am

sweet bro thanks... didn't know there was that much ?

No. If anything, It'll just slow down cydia. But only just how long it takes to fetch all the updates and recent items.

Great list btw, I didn't know there was that many good ones (:
