and your rightside pocket on the right pic look sweet
ya know the checkered thingy
and a tad bit to the right of that is that a price tag?

Happeh - February 15, 2011, 8:23 am

Is that you modelling it? Or some random person? :p

Shirt looks epic, i'd buy if i had money.

Cyber`SoLdier - February 15, 2011, 8:26 am

I like it a lot but I think I wouldn't buy it. I'm not so crazy about anime :S

Tasemu - February 15, 2011, 8:27 am

Cheers, and the price tag is for the plain white shirt.

And no im not modeling.

SewDough - February 15, 2011, 8:41 am

Wow. That's nice. Good work Tasemu. ^ _ ^

Whenever you design a really cool Revy one, let me know. I'll buy it, instantly. =|

Wow looks amazing Just one thing that i would change is to take away the box

Hoser1358 - February 15, 2011, 11:20 am

Aha, the text made me laugh.

I think the colors on Rena contrast a lot with the rest of the shirt. She just sticks out a bunch. .. wait.. (just notices it isn't actually printed yet..) :P

I'd definitely buy this shirt, but i think it would be cooler if Rena covered more of the shirt and the text was on the side of her. just my opinion

SoMuchMudkip - February 15, 2011, 1:33 pm

It adorable ^ _ ^

I would buy it.

Sejskaler - July 20, 2013, 4:15 am

This is amazing in every aspect, it's a vector right?

The gradient you used at the eye looks so lively!

Great job :D

Ciel Phantomhive - *July 20, 2013, 2:02 pm*

Personally I'd put the text on the back. Just my opinion, since right now the back looks pretty empty.

Badside416 - *July 20, 2013, 3:11 pm*

I love the bloodstain on the back, looks beast :)
