Thread: Ewhored pretty well! [motivation as well]

TheVBScripter - *November 27, 2015, 5:21 am*

Hey you all!

A few days ago I created this thread. https://hackforums.net/showthread.php?tid=5044600
It shows others that you can earn well if you are convincing enough!

I wanted to let you know that I have read some threads today and some members are either:
- too lazy to read
- can't find ewhoring tutorials
- just dont get ewhoring
- dont control the ability (if I may name it like that) to convince people

because I start to see more and more threads about traffic, methods, kik camera questions and such..

I got some motivation for you guys!
Look at this, a picture from yesterday:

I reached over $100, but I had $35 ACG exchanged for $22 PayPal, but I won't complain ?

Anyway, what I am trying to say with this thread is:
NEVER GIVE UP

If you keep ewhoring you will see progression and of course I had hundreds of guys who:
- aren't paying
- did pay but didnt send it
- wants pic first
- got a big mouth
- send me dick pics right after 'hey'

but when I see the money at my PayPal, I think it's worth the stress ?

I hope for the members, who currently are learning how to ewhore, lost motivation or just dont want to start due to lack of motivation, that they will try and try until they succeed ?

MORE MOTIVATION FROM TODAY:

Nice earnings, is this via kik method? Also, if yes what kind of traffic sources do you use? The regular ones like kikhorny or some private shit?

I hope these prices are not for like 10 pics and 1-5 videos.
Because you could increase the price a little bit.

Nice earnings!
