Thread: [Hackers Paradise looking for more coders and hackers](#)

closed_my_HF_account - *July 22, 2009, 5:17 am*

As the title stated we want some more coders in all or some of the following (C, C++, Java, ASM, scripting langs) and/or all round hackers which may be involved in future projects - see <http://HackersParadise.synthasite.com/group.php> no no0bs please and add as much relevant info as you can.
