Thread: Creating Sentry MBA Configs | Start Cracking ANY accounts NOW | Start your own shop!

Subliminalz - *December 20, 2015, 12:52 pm*

Hey, I am currently selling some Sentry MBA Configs I just recently made.
This can be used to crack accounts, and start selling them or you could get on the accounts and change the payment gateway such as the paypal account/bitcoin account.

Here is the list of configs I've made;
[img]http://s17.postimg.org/ef653wt0v/7f321b47f79a31899bdbb68ab0cff217.png[/img]

Shopify config uses proxies, and it capture balances on the accounts.

Betchain is an online bitcoin casino config uses proxies, and it captures the balances on the accounts.

And so on, the list keeps on going they ALL capture balances.

The proxyless configs are;
SSND0B
Yahoo

I am also taking any custom orders for any website.
Price depends on the difficulty of making the config.

All of the configs are working, and before I you pay for the config I will do a preview of the config working via team viewer or join.me. ?
