(Dec 31, 2015 08:55 PM)Lean. Wrote: [CITE] Since theirs going to be so many people entering till the 10th 5 digit number would be more harder to win when doing a contest.Would it not be better to just use post count? Because using 5 digit numbers on randomnumber is going to lead to a lot of untaken numbers xD

Anyways do whatever you want, thanks again for the giveaway ?
